THE VOICE OF THE SEDONA CAR CLUB—PUTTING DEAD TREES TO GOOD USE

## *President's Vehicle*

Our cold season and a day of winter (March 7<sup>th</sup> as I recall) has passed. The spring weeks are here and then it will be summer. The car seasons are here!

I confess that my Healey has been sitting quite a bit lately. A few windy days and, whew, does it get dirty. I don't like to cover it in the garage, rather have it visible, even if it gets dusty. I took it out and cleaned

it the other day. Previously it was clean, so it only takes minutes to get it bright and shiny again...ready to use. And I do plan to use it; gets way better

event Rachel and I have missed in the past, but we are definitely going this time (we're on a temporary hiatus from our church choir). We are looking

forward to it and to enjoying this great brunch with many of our friends.

I apologize that our program for our April meeting was cancelled. We'll

have a better meeting in May, though, so I hope to see all of you there.

*David Lombardi,*  
President

## *Welcome To The Sedona Car Club*

A Region of the Antique Automobile Club of America

The Sedona Car Club is comprised of auto enthusiasts, whether or not they own a special car, from Sedona and several surrounding communities. The purpose of the Club is to promote, preserve and maintain motor vehicles of special interest or historical value and promote social fellowship among members. The Club is very active and offers a range of activities to suit the interests of most individuals. Activities include both local events and tours that take members to

unique locations within and outside Arizona. Typical local events include: a presence in the St. Patrick's Day Parade, co-hosting the annual Sedona Car Show and Airport Day, holiday brunches/dinners, annual picnic and road rallies.

Members participate as much or as little as they wish. The Club meets on the second Tuesday of each month at 7:00 PM at the Adult Community Center of Sedona at 2645 Melody Lane. There is a brief business meeting followed by refreshments and a brief entertaining or informative program. Drop in visitors are welcome. December's meeting consists of the annual Christmas Dinner and there is no meeting in July. Membership dues are \$65 per year and include local club membership and national membership in the Antique Automobile Club of America. Contact membership chairman, Larry Currie at 928-204-9540 for more information.

## World's Fastest Indian

SCC motorcycle enthusiasts in the name of Bill Harrison, Tom Wachs, Dave Smith and a few other non-members cycled to Flagstaff Mall in mid April to see Anthony Hopkins star in this true story. It's the life story of New Zealander Burt Munro, who spent years building a 1920 Indian motorcycle -- a bike which helped him set the land-speed world record at Utah's Bonneville Salt Flats in 1967. On the way home our guys attempted a land speed record descent of the Canyon, but a few tourists got in the way. Despite that, they had a great time.

## Bell Lexus Copperstate 1000 Rally

Some of the world's most beautiful and exotic cars lined up at Red's in Sedona on April 26th when the Bell Lexus Copperstate 1000 Rally stopped overnight on a four-day run through Arizona and southern Utah.

Rare Ferrari race cars, Mercedes-Benz 300SL Gullwing coupes, classic Bentleys, Jaguars, Porsches, Corvettes and Aston-Martins will be among the 77 rally cars taking part in the 1,200-mile rally, which benefits the Phoenix Art Museum.

Many of the cars are artworks, such as the 1962 Ferrari Testa Rossa LM, a bright-red open race car that won the famed 24 Hours of Le Mans race in 1962. And the sleek 1954 Nardi-Peugeot, which boasts a history of competitive road rallies.

The Copperstate 1000, in its 16th year, has taken its place as one of the top automotive events in the world, attracting entries from all over.

Your editor was tipped off by Al Moss and snapped some pics on pages 5 & 6.
