President's Letter

As I am writing this, it is just past Thanksgiving. I hope you all had a wonderful and meaningful Thanksgiving. Rachel and I did. We feel we have much to be thankful for, and as I look around our club I'm sure we all do.

You may have read in last month's Tire Tracks that I had a birthday recently. My sister, a snowbird who winters at Lake Havasu, called to wish me a happy birthday and happened to ask me what we were doing for Thanksgiving, which was two days later. I told her we had no plans so she invited us to visit with her. We quickly packed the RV Wednesday morning and drove to Lake Havasu. We had a great time there!

I got a really cute email from Lyle Branch recently. Maybe he sent it to everyone, but I'm going to describe it anyway. It's a photo of two men laughing hysterically. The caption says "So I told her I bought a new car, and she asks.....'You're going to sell the old one aren't you?' " I guess Lyle figured if the shoe fits I should wear it. Yes, I just bought another car. Nothing fancy - a Geo Tracker. Light enough to be towed behind our RV easily, and a very capable off-roader for exploring at our destinations. I, of course, had to have it nice looking so I've spent the last few weeks prepping it for its soon-to-be applied new red paint.

Our club has had a great year with a lot of fun activities and good meetings. I want to thank everyone for their participation in our events. Topping it off will be our annual Christmas Party. I know we will have a good time at it. I'm looking forward to seeing you there.

Merry Christmas and Happy Holidays to everyone.

David Lombardi
President

## Please bring it out and let others see it at the Sedona Elks Lodge

The lodge will be hosting a fun cruise in on the third Wednesday of each month from 5:00 to 7:00 in the Elks Lodge parking lot at 110 Airport Road, Sedona. The Lodge will be serving tacos and good quality grilled hot dogs on the patio. Beverages will be available in the lounge. This is being done to provide car owners an opportunity to show off their fine rides just for the fun of it and for the comradery. Seems too many great looking rides spend a lot of time in garages when showing them off and driving them is why you built them. So bring it out!

The Elks will have a page on Facebook. Look for Sedona Elks (or visit [www.sedonaelks.org](http://www.sedonaelks.org)) cruise to check the dates and photos from recent cruise nights.
