

President's Letter

I was in California last week so I'm writing this on the first weekend in November. Wow! Did we go from summer/fall to fall/winter in one fell swoop? It is definitely cool here now. Seems appropriate for the season though. Soon it will be Thanksgiving and I think the Hallmark image of Thanksgiving Day is cool and wintery.

Thanksgiving Day gives us all a chance to be thankful for living...oops, I mean living here in Sedona...thankful for our families and friends, thankful for the health that we have, and thankful for all of our blessings. I know that Rachel and I are thankful to have you as our friends and for all aspects of our lives.

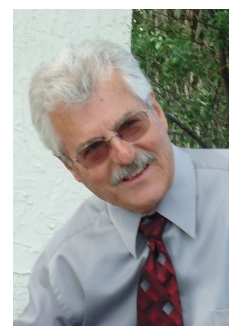

One way to show our thankfulness for living in Sedona is to help to keep it beautiful. During the week I will be sending a reminder that our club will doing its highway clean-up on Saturday, November 15th, and asking for volunteers to help.

I am happy to announce our slate of officers/board members for next year. They will be:

1st Vice President - Ed Pittman; 2nd Vice President/ Program Chairman - Vince Monaci; Secretary - Jane Tusso; Treasurer/Membership - Sam Pietrofitta; Tours & Events/Historian/Webmaster - Steve Blank; Tire Tracks Editor - Army Messersmith; and President - David Lombardi. At our November General Meeting, we will vote these new officers into office.

Happy Thanksgiving to everyone. See you at the November meeting.

Read on Ladies....

Husband: I lost my wife. She went shopping and still hasn't arrived home yet.

Police Inspector: What is her height?

Husband: I'm not sure, average I think.

Inspector: Slim or healthy?

Husband: Not slim, can be healthy.

Inspector: Color of eyes?

Husband: Not sure, Brown maybe?

Inspector: Color of hair?

Husband: Changes according to the season.

Inspector: What was she wearing?

Husband: Pants and shirt, maybe a dress or something...I don't remember exactly.

Inspector: Did she go in a car???

Husband: Yes!!!

Inspector: Can you tell me the number, name and color of the car?

Husband: License #NLH-638, black 37 Ford Coupe, Chev 383 with supercharger, generating 450 horse power teamed with a 5-speed transmission...car has a very thin scratch on the front left door.

At this point the husband started crying....

Birthday Gift Idea

A woman asks her husband, "What would you like for your birthday?"

The man says, "Something shiny that goes zero to sixty like a lightning bolt and tops out at 260."

She got him a chrome scale.
