

## President's Letter

Well, here it is, the end of August and by the time that you read this it will already be September. The days have been hot, but the monsoon rains are great. I hope you enjoy the rain as much as I do, and it's great for the trees and the rest of nature (even though it gets my cars dirty).

Rachel and I just returned from another motorhome trip; shorter than our June/July trip to Alberta, Canada, but fun just the same. We drove to Arkansas to celebrate our daughter's birthday with her. Great time for us and she loved that we came to be with her.

September also means that we're on the countdown to our car show, September 19th. Thanks to the work of your e-board and show committee members the show is coming together nicely. We already have a bunch of entrants and we always seem to get a lot during the last couple of weeks prior to the show. I'm sure we will have a nice turnout of entrants.

The day of the show involves a lot of activities. Many of the men and ladies in our club have already signed up to participate on show day, but we can always use additional help. There will be a sign-up roster at the September General Meeting. Please add your name to it if possible. Regardless, come to the show, look at all of the beautiful cars, and enjoy the company of your fellow members. It's going to be a great day!

I look forward to seeing you at the September meeting.

David Lombardi  
President
