Volume 37 Number 8

President's Letter

Wow! That was a great car show! We attracted a large number of wonderful cars. The location turned out to be really good. All of the entrants were happy with the show. The public attending the show seemed to really enjoy it. OK, except for one woman. A funny thing happened to me. A woman walked up to me and told me we had made a big mistake by not being at the airport. Within 15 seconds another person stopped me to tell me how much better it was at the park. The members I have spoken with like being at the park. I hope you agree.

We had a bunch of new entrants at our show this year. All of them nice; some of them really nice. I was happy to see many of our members win prizes. They own some beautiful cars!

I want to give a special thanks to the car show committee for all of the work they did, over a period of many months, to bring our car show together. A very special thanks to Mike Clark, who did a wonderful job as the committee chairman. And I also want to thank the many, many, members who helped on the day of the show.

Well, I have some news. I finally got a Ferrari, a car I've dreamt about owning for many years. Before we retired we used to own one, but sold it to add to our retirement nest egg when we moved here. I've always been a Ferrari nut (it's an Italian thing) and a couple of years ago started dreaming about getting one. I looked at one about a year ago that belonged to a widow who lives next door to a friend of mine. She had been told by several sources that it was worth a ton of money and it was way out of my budget, so I forgot about it. I saw the same car recently at fellow member's shop, Red Rock Precision Motors, where it was being prepared for a more serious sales effort. Karl, and others, had advised her that she was overvaluing the car and she had agreed to sell it for his recommended price. I told him I would buy it for that amount, and the rest is history. It's a beautiful car. Red, of course. Wanna buy a nice Porsche??

THANK YOU to everyone in the club who participated with their cars in our car show. A special THANK YOU to all the club members that volunteered to help this year. I went through the club roster and counted nearly 50 of our members helping with the show. Many of our members did several jobs to make the show a success. We had over 100 cars displayed again this year. Great Job to everyone.
