

President's Letter

Fifteen seconds of fun. Yep, that's all I got. Doing what you say? Well, let me back up a little. We were in Costco a few days ago and I, of course, had to peruse the toy aisle and there I found a "toy" I've always been enthralled with, a Drone. Rachel, ever loving and accommodating that she is, offered to buy it for me since my birthday is coming up. The next day I studied the manual, charged it up and took it out to the field behind my home to fly. I set it down to take off, gave it a little throttle and up it went. I pushed the steering joy stick left and it banked left, right and it went right. Cool! Gave it a little more throttle and it sped up. And sped up. And sped up. In seconds it was out of range to respond to steering inputs and was gone. I searched and searched the surrounding fields, trees and yards and couldn't find it. Fifteen seconds. Not a small investment. Gone.

Oh well, that was not a good thing, but considering how fortunate we are in all other aspects of our lives, we are thankful. Thanksgiving day is coming soon and I'm sure we all have many things to be thankful for. I know Rachel and I do and we give thanks

every day. We all live here in this wonderful Verde Valley area, have shelter and food every day. The large majority of us are healthy, and we are all able to obtain the care we need, if needed. I want to wish everyone a Happy Thanksgiving Day.

Our club continues to thrive. We have new members. Loren and Barbara arrange fun events for us. We had two just recently. Our car display at Austin House was a lot of fun, for we car "displayers" and for the residents of Austin House who loved to see our cars. On Halloween everyone who went to Blazin' M Ranch had a great time.

Oh yeah. The day after I lost the drone I went out again and searched a wider area. There it was, sitting in plain site in front of a house about three blocks away. I'm thankful for that too.
