

March 2018

Volume 36 Number 3

President's Letter

Hello Everyone,

Well, as I am writing this in the first few days of March it seems that I should be saying something like "wow, spring's almost here and the weather is finally warming up". Instead, we just had our first snow and the weather is really cold. But that's good. We need rain and snow and the weather will get warm soon enough.

You probably read in the last issue of Tire Tracks that Loraine Cousins had a birthday on February 26th. Loraine and her husband Ernie, were among the founding members of our club and have always been active members until the past couple of years or so when their health precluded them from doing so. Sadly, Ernie passed away a couple of years ago. I am proud to say that upon Vince Monaci's reminder, the club sent a beautiful bouquet of flowers to Loraine on her birthday and she really appreciated them.

I'm happy to say that our club is doing really well this year, with great speakers at our meetings and fun activities. For instance, our guest speaker last month

was a scientist from Lowell Observatory in Flagstaff. He gave a very interesting talk about the observatory and some of its famous discoveries. Our up-coming outing will be our participation in the Sedona St. Patrick's Day Parade. This is always a fun event for all of those who are able to participate, and there will be many more fun events during the year. In fact, one of the items to be discussed at the up-coming executive board meeting will be future events. Some of the board members have some ideas; I know that Barbara and Loren have some others. If any of you members have ideas for future outings, please be sure to let Barbara or Loren know. We're all about having fun.

I hope to see you at our March meeting (same time, same place). I hear that Mike Clark has something really interesting and exciting planned.

DUES ARE PAST DUE!

Please use the form at the end of this newsletter to renew your membership. This will assure that you are included in the yearly booklet of Sedona Car Club members. The deadline was January 31.

There are approximately twenty members who were active last year who have not paid dues for 2018. They are holding up publication of our annual roster.

If you do not pay your 2018 dues, you will no longer be in the roster and no longer be a club member.
