President's Letter

Hello Everybody. Other obligations have kept me from writing this sooner, so it is now in the afternoon on Easter (sorry Army) when I have finally had some time to sit down and write this. You will have received it some time next week, so I want to take this opportunity to say that I hope you all had a wonderful Easter or Passover holiday.

Spring is here now (I know 'cause my nose is running) and it reminded me of a cute poem I received from my good friend and predecessor president, Al Moss. Al was one of the first people I met in Sedona. I didn't know him before, but I had been using his repair shop and store since the early 1960's. Even more interesting, I found out after knowing him well here, that we grew up only three blocks apart in Los Angeles. We even went to the same schools, but not at the same time since he was older than I.

So anyway, here is Al's poem:

**Ah, tis spring
Da boid is on da wing.
My woid: how absoid
I tot da wing was on the boid.**

Typical Al Moss. Al loved humor and practical jokes.

I am happy to say that our club is doing well. Mike Clark has provided interesting meetings and Loren Hedrick and Barbara Barrett have taken us on good outings. The last one, the St. Patrick's Day Parade, followed by a great luncheon, was enjoyed by everyone who participated. Be sure to join us for our next outing.
