February 2019

Volume 38 Number 2

President's Letter

Well, hello everybody. Happy February. Kinda cold out, huh? Well my friends from the east don't think that it is, but I do and I think most of my neighbors do also because I don't see any of the usuals puttering around in their yards. My red car is even overdue for a wash. OK, it's not actually dirty, but our clothes dryer exhausts into the garage and the car gets dusty (lincy?).

I frequently like to write about the RV trips we're about to take, or have taken recently. We're actually not planning any right now, but we plan on taking a lot of trips when the weather gets warmer. Too cold now. On our Christmas trip to Arkansas the water and water pipes were frozen many mornings. Fortunately, nothing broke.

Calling all members and volunteers. Well, not quite yet, but soon. At our upcoming board meeting the principal part of our discussion will be about this year's car show. We've been thrown a

little curve, but not a bad one. The airport has asked us to combine our car show with their airport day. We will have to decide if we should do that, or continue at the Posse Grounds Park, when it should be, etc. I hope that after we decide the details many of our members will participate in planning and putting it on.

Our club is off to a good start. Our first tour, arranged by Patty Reski, was to the Jerome Museum and then to a great lunch. It seems that the outings of all car clubs include eating. We all enjoyed the museum and meal. Thank you Patty. I'm sure the rest of our year will be just as fulfilling for all of us.

See you at our February meeting.
Happy Valentine's Day!
