## President's Letter

**How about that weather? Now that was some storm we had a couple weeks ago. We've lived here almost 20 years and that is the most snow I've seen. One measure of its gravity is although our street was plowed, almost none of the driveways in our area had any tire tracks on them for several days after the storm, i.e., no one ventured out of their garage.**

**Now it seems we have another storm coming up soon, albeit nothing like the last one, on the weekend of the St. Patrick's Parade. I hope it doesn't rain then. Many of our members have entered our parade group. Isn't there a song, or something, about "don't let it rain on my parade"? I hope to see you at**

**the parade. If you don't have a car in the parade, come and watch it.**

**I am happy to announce that we have agreed with the Sedona Airport to combine our car show with their Airport Day and that the event will be held a little later in the year, on October 5th. The Board will be actively working on the show from now on and, of course, as I've mentioned before we will welcome help from everyone.**

**See you at the meeting.**

David Lombardi  
President
