President's Letter

Well, we did it again. We just bought another vehicle, a new (to us) motorhome. Our previous one was very nice, but as the (our) years went on we had one complaint. Its bed was a sofa bed that had to be set up every evening and put away in the morning. We wanted a permanent bed. I advertised ours and for several weeks and nothing happened. Then, at what you would think was the worst time to sell a motorhome, during our snow storm, a lady came up from Chandler to see it and loved it. She came again a few days later when the weather was better and this time agreed to buy it. Immediately thereafter I started getting calls, many calls, from people not just wanting to see it, but wanting to buy it.

Deposit in hand, I started looking for one to buy. Unfortunately, in the entire country there were only a few, of the rather special model that I wanted, for sale. I sort of considered one in the tip of Florida, one buried in snow in Michigan, and another in the north of Washington. There was one I really liked in Southern California, but it was way above my budget. Very nice and with lots of expensive extras, but it cost too much. Then I figured he's been advertising it for 6 or 7 weeks that I know of, I'll make him an offer. I did. He accepted. We have a new

motorhome! We're off and away!

On Friday, April 5th, the Sedona Library will have a guest speaker, Roger Naylor, who will discuss his book, "Arizona Kicks on Route 66". Our club has been invited to add some color to the presentation by having our cars on display at the library. I hope that you will have read this in time to get in touch with Mike Clark and bring your car to the library.

Our club has a lot of good things happening. Next month will be Mother's Day. There is a good chance that we may be able to have our annual Mother's Day Brunch at Junipine again. As of this writing I don't know if we will or not, but there is a good chance that the information will make this Tire Tracks deadline. Look elsewhere in this journal for more information, or....as they say - stay tuned. One way or another we'll have a great outing.

Hope to see you at our General Meeting.

President

BEAUTIFUL 1965 Ford Falcon Futura \$26,000

This car is a must see and hear. Runs great, fun cruiser. Super clean classic head turner. It's fully restored, has a 302 V8 Engine not the original 289. Beautiful Periwinkle Blue Frost Custom Paint and White Interior. Don't need to sell it, just don't have time to show it off and we don't have the room for it any more. The only thing that doesn't work is the radio and the parking brake. True Mileage Unknown. Have the original Bill of Sale from California. West Coast Car - No Rust. Call or Text Mike 928-286-2522 or Dawna 928-593-9252 with questions.
