

President's Letter

Well, hello everyone. This may be redundant, but this time I think I'm right...summer is finally here. Lots of ways to tell: our annual picnic is coming soon, the club will be off for a month, and, oh yeah - it's finally getting warm! I hope you all have a wonderful summer. Maybe take a trip. Maybe stay home. After all, almost all of us live in or near Sedona. What more could you ask for? It seems like millions of people are vacationing here; we're already here. Of course, who am I to talk about the benefits of staying here, Rachel and I have a new (to us) RV and are planning to take a few trips, the primary one to go to Montana to visit relatives.

I'm sure that you all know that I like my Mini Cooper. Its been a really fun, quick, and inexpensive car. Until, that is, a few weeks ago when the engine failed. Now its BMW heritage shows

through. It's going to cost more to repair it (many thousands) than it is worth. We do need a second daily driver so I'm looking for another one. Sadly, of the hundreds on the market, the three I like best are all in California. Oh well, another RV trip coming up.

I hope you all have a wonderful summer and I look forward to seeing you at our August meeting.

David Lombardi
President
