President's Letter

Hello Everyone,

There is a message right now on my computer screen, next to the area where I am writing this note. It's from the store where we buy our pet food in Old Town Cottonwood. It says "Are you and your pets going stir crazy?" I guess I would have the same question of you. I hope you are all staying home so that you will stay healthy. I hope that you are not going stir crazy.

The television news is full of stories about how this home quarantine is hard on people. Rachel and I have found that it is not much different from our normal life. We're pretty much home bodies, don't go out that much. We like being together, so it hasn't affected us that much. Still, we haven't decided where to go for Easter.....The Living Room or the Dining Room.

I'm sorry to say that it has affected our Club though. We had our Board Meeting today. Even it was different. We did it through our computers using a program our Web-Master, Steve Blank, set up

for us. The principal items discussed were the Club's future events. I am sorry to say that one of our club's favorite events, the Mother's Day brunch is cancelled. Our annual picnic, which would have been held in June, is cancelled also.

The main topic of our meeting, though, was our car show. Whether or not we have it depends on two things - 1. No one knows what the status of this Coronavirus will be in October, even though everyone hopes and prays that it will be over. 2. We need volunteers.

We made pleas in Tire Tracks, by an email to all members, and at the last General Meetings for volunteers. Out of all of that we only received 14 replies. Regrettably, one of the interpretations of that low response was that our membership does not care if we have a show. If you agree that we should continue with our long standing tradition of having a show, 38 years, but you did not volunteer previously, please give me a call and tell me you will help put it together. I hope to hear from many of you. Thank you.

David Lombardi
President

Information About Scholarships

We will be managing our program this year in a slightly different way. Our grant will be offered under the umbrella of the Yavapai College Foundation.

We will award \$2500 to a new or current Yavapai College enrollee in an automotive career field. We will tell club members after the selection of a recipient has been made, but it probably will not be before September, perhaps even later.

Club Calendar

Sadly, all club activities are cancelled until further notice.

There will be brighter days when we can once again enjoy our common interest and meet safely.

Meeting Refreshments

Note: Those providing refreshments will be reimbursed \$10. Ground coffee is in the kitchen.

Refreshments: Stay home and cook some special treats.

Coffee: Substitute wine, beer, or spirits if necessary. (It probably will be.)

NEW MEMBERS

Someday we will have some.

Remember that the Car Show requires the labor of many people. You can assure that we have a car show this year by going to the last page and selecting the task(s) you commit to perform. Please note that we have sufficient help on the day of the show. We need people to volunteer for the preparatory tasks. **(ITEMS IN RED)** Call or email David Lombardi to volunteer.
