President's Letter

Hello Everybody,

Wow! What happened to Spring?

It seems like only a few weeks ago I was living in flannel shirts and a vest. Overnight and I am only needing a tee shirt. Yes, a little hot, but it is nice weather. Rachel and I have put off our round-the-country trip in our RV, but we are finally going to take a short trip up into our local mountains just to get some use out of it. I'm sure we'll get more use out of it as the Summer progresses.

I don't think I am a pessimist and I don't think my friends are, but some of my friends have sent cartoons and photos with captions that are pessimistic, to wit, we are having an unusually hot summer and its only the first part of May, sadly they're predicting a bad forest fire season, they are predicting a food shortage in the future, and, of course, we are having the COVID-19 pandemic. Hmm, what's going on? I hope this all ends soon.

Speaking of COVID-19, I am sad to announce that it has had some serious affects on our club. After much consideration our Board has decided not to have a car show this year. It takes a lot of pre-planning and work to put on a show and the health experts still don't know if the pandemic will be over even by October. Also, regrettably, we will not be having our Mother's Day Brunch this year, nor will be be having our picnic in June. We will also not hold a General Meeting in May or June. The club is always on break in July. Hopefully in August things will be more normal and we can get together at a General Meeting.

On a happier note, I am glad to say that I know of no one in our club who has been sick with the COVID-19 disease. I hope and pray that you all stay well. Take care everyone. I hope to see you in August.

David Lombardi
President
