

President's Letter

Hello Everyone,

I hope that you all had a pleasant New Year's Eve, and plan on having a great new year. That is our plan. Hopefully we will even take some nice trips in our RV. I am happy to say that we are both healthy. I hope all of you are also.

I am sorry to say that as of this moment we don't have any specific plans to resume club activities. Hopefully by the end of summer we will be able to have a car show or at least a car display. Meetings would be nice. It would be great to see you folks again. I read in a magazine the other day about one club which was not able to do its regular activities, so it was getting together to go for drives. Hmm. That's an idea. We certainly live in an area that is good for nice drives.

I came across an old issue of Tire Tracks the other day. It contained my first President's Message. I liked it. Of course I would...I'm prejudiced. It went, in part, like this - *Ah, the New Year. I think it's going to be a terrific year for Sedona Car Club. For the time being I don't have too many ideas about*

change. Perhaps just a couple for starters. As most of you know, one of Rachel's and my other avocations is singing. We belong to several singing groups. Under Rachel's influence, we also have a pretty strong spiritual life. Last year the Club started saying the Pledge of Allegiance at the beginning of our meetings. That's good. This year we will open our meetings also with a prayer (good for the soul) and a couple of songs (good for the lungs). Just kidding. But you know, on a serious note, I belong to a group that meets for an hour three days a week to exercise. It's been very healthful for me. I think if we don't pray or sing, we should start the meetings with some jumping jacks. Still kidding!!

Wow. that was several years ago. We can't sing in groups these days, but we still go to church, and I exercise (a little bit). But don't worry. Things will get better. I hope you all have a good year and that we will see each other soon.
