March 2021

Volume 40 Number 3

President's Letter

Hello Everyone. We're getting close. Close to what you may ask? Close to being an active club again. The news says that the pandemic seems to be slowing down. Vaccines are available. I know many people who have had their shots, or at least half of the prescribed dosage. Rachel and I have each had one shot and get our second shots in the second week of March. Hopefully, we can soon have meetings and go for outings together.

Sadly, one thing that is not occurring is the St. Patrick's Day Parade. The parade is a partnership between Sedona and NAU's Parks and Recreation Program. Our city relies heavily on NAU's participation to put on the parade. NAU is not having in-person classes nor hands on projects as part of its curriculum at this time. So...no parade.

Happily, we are going to have a car show this year! The airport is going to have its Airport Day in October and has asked us to be a part of it. You will hear more

about it in the near future. Remember, it's an activity for the entire club.

An activity that has resumed for the club is our periodic highway cleanup. Phil Wadsack, Highway Cleanup Chairman, recently organized our first clean up day in months (due to the pandemic). Twelve members and one guest showed up last Saturday morning and cleaned our section. Because ADOT has not wanted us out for many months it was hard, but rewarding work. We filled 33 bags, which is a record for our club. I want to send a special Thank You to Lyle Branch, Mike Clark, Patty Reski, Ralph Shelly, Chris and Anne Shepard, Marvin Wiegand, Greg Zucco and Stephanie Giesbrecht and their guest, Joan Bovck, Rachel Lombardi and myself, and of course, Phil Wadsack.

Hang in there. We'll be an active club again. Hope to see you then.

David Lombardi
President
