### President's Letter

Hello Everyone,

Well, Labor Day Weekend just passed. I hope it was a pleasant time for all of you. Rachel and I didn't have anything special planned, so it was just an ordinary weekend for us. On the positive side, I'm happy to say that almost every day is like a holiday for us. We are very lucky, as I am sure, you all are also.

Hooray! The car show is almost upon us. I am sure it is going to be a great show. We have a very good number of entrants already, and it seems that every year we get a rush of "late" entrants at the last moment. I want to thank everyone who has already been working on show preparations, especially Patty Reski, Mike Clark, and Rachel Lombardi, and I want to thank everyone who will be helping on the show day.

Our upcoming General Meeting (Tuesday 7:00 PM, Library. But you know that) will

have a speaker with a very interesting topic. Sam Pietrofitta spent his whole career in the electronics industry and will tell us about space station communications. I am sorry, but we will not have a meeting in October. We will also have a very interesting presentation in November, but I'm not going to give it away yet.

Rachel and I were fortunate to spend a couple of afternoons with Vicki Currie during her last days. We were very impressed with her caring and loving caregiver. I pray that none of you would need this type of help in the near future, but we would highly recommend Juanita if the need ever arises. Rachel has her information. Call her if you ever need a caregiver, or better yet if you want to recommend one to a friend (cause I don't want any of you to need a caregiver).

Hope to see you next Tuesday evening.

David Lombardi  
President
